A Message from the Founders

Why MATRIX is Among the Top Choices for JEE, NEET & School Education in Sikar

From left to right : 1. Anil Gora (B.Tech IIT Kharagpur, 99.98%ile (overall) & 100%ile in Maths in CAT 2008)
2. Narendra Kok (B.Tech IIT Kharagpur) 3. Anupam Agrawal (B.Tech IIT Kanpur) 4. Rajendra Burdak (B.Tech SIST University) 5. Kapil Singh Dhaka (B.Tech IIT Kharagpur, MBA IIM Ahmedabad, All India Rank 19 in General category, IIT-JEE Scr. 2004, 99.96%ile in CAT 2009)

Dear students & parents,

12 years ago, MATRIX was founded with a vision: to provide high-quality education in Sikar so that no student would ever feel the need to move to places like Kota or Delhi for JEE coaching. Our aim was to create a system people could trust, so students could access excellent education close to home.

When we started MATRIX in 2014, Kota was the preferred choice for JEE/NEET coaching among aspirants from North Rajasthan and Haryana. Very few students chose to stay in Sikar for JEE coaching. With MATRIX, we aspired to change that scenario and fulfill the promises we made to each and every student. The success of MATRIX JEE Academy over the past 12 years stands as a remarkable example of the quote:

“When you have the right aptitude and work towards achieving your dream with utmost passion, dedication and sincerity, success follows.”

The Pre-Foundation Program, launched in 2019, has already become the de facto No. 1 pre-foundation and schooling program in Sikar, consistently delivering excellent results in STSE, Junior Olympiads, NMTC, RMO, NSEJS, and other competitive examinations.

With the launch of the NEET division in the 2022 session, we have been making unparalleled efforts to build a world-class medical entrance program. We firmly believe that we now have one of the finest faculty teams for NEET, not just in Sikar but across Rajasthan. Moreover, we are committed to providing a level of personal care and academic support that is unmatched in Sikar.

At MATRIX, we have consistently set benchmarks in everything we do. To cite a few examples, MATRIX has successfully redefined the narrative of JEE coaching in Sikar. We have set new standards in teaching methodology and faculty quality. Our phenomenal growth over the last 12 years is a testament to our commitment to excellence

and the growing trust of both students and educators. For students in North India, the trend of moving to bigger cities in search of better education is fast becoming a thing of the past.

Hundreds of students from major cities like Jaipur, Delhi, and Mumbai have started preferring MATRIX for JEE & NEET coaching each year. Though we started with just 5 teachers in 2014, as of July 2026, we have 380+ IITians, NITians, and graduates from other top universities as part of our full-time faculty team for the JEE, NEET, and Pre-Foundation divisions.

Our results from last year are yet another proof of our excellence: 3,100+ students qualified for JEE Main 2026, over 1,200+ students qualified for JEE Advanced 2025, and in the 4th year of our NEET division, more than 600 students are set to take admission to AIIMS and government medical colleges.

We are proud to have MATRIX alumni in top departments at leading IITs, such as the Computer Science departments at IIT Bombay, IIT Delhi, IIT Kanpur, and IIT Kharagpur, where they are performing exceptionally well.

We have strong reasons to believe that the quality of faculty and the overall learning experience at MATRIX are truly incomparable. Therefore, if securing a seat at one of the top IITs, AIIMS, or government medical colleges is your ward's dream, you can be assured that they are in safe and capable hands with us.

Through our results, hard work, honesty, and transparency, we have earned the trust of students, parents, and communities alike. However, despite all these achievements, we understand that success is always relative.

Today, we have even bigger dreams ahead. We promise to continue working hard, improving our results every year, and setting even higher standards for the future.

Team MATRIX

Nothing Succeeds Like Success

Be a Part of the MATRIX Olympiad and Unlock Your True Potential!

The MATRIX Olympiad was established to encourage school students to go a step beyond their regular studies and gain exposure to competition on a broader scale. It helps students enhance their fundamental cognitive skills and develop deeper knowledge in subjects such as Mathematics, Physics, Chemistry, Biology, and Mental Ability.

The purpose of this Olympiad is to ignite a love for learning among students across the country, including those from smaller towns, raise awareness about national and international Olympiads, and provide a platform for students to showcase and enhance their talent. For over a decade, MATRIX Olympiad scholarships (formerly known as MTSE) have empowered thousands of deserving and talented students, especially those lacking financial resources, to pursue their academic and career goals in engineering, medicine, and other competitive fields.

Additionally, the MATRIX Olympiad supports students in preparing for various exams even before they officially join MATRIX. This is done by offering deserving students access to study materials, test series, and motivational seminars/webinars that help them prepare effectively for Olympiads.

Matrix Scholarships open the doors to MATRIX JEE Academy, MATRIX NEET Division, and MATRIX High School. Today, these institutions are counted among the most trusted institutes for JEE/NEET preparation in Sikar and across North India. Here, under expert guidance and mentorship, students can prepare for a wide range of exams, including NEET, JEE (Main & Advanced), school/board exams, NTSE, and various national and international Olympiads.
